

Year 2 - Diaries

I know that a diary can tell people about things that have happened in the past (e.g. the Great Fire of London).

I know that Samuel Pepys wrote a diary in 1666 about the Great Fire of London.

I can remember some of the things Samuel Pepys saw and wrote about in his diary (e.g. people flinging their goods into the river, people carrying sick people on beds, pigeons hovering around their nests until their wings got burnt and then fell to the floor, people carrying their goods on their backs or in carts).

I can say how people might have felt (e.g. scared, worried, terrified) and what they might have been saying (e.g. "help", "come quick") during the Great Fire of London.
