

# Year 1 - Remembrance Day

I can tell you something that has happened in my past (e.g. holiday or trip, birthday or event).

I know that a symbol is a picture that shows something without words.

I know the poppy is used a symbol to remember people who have died fighting in wars.

I know other ways people remember those who have died fighting in wars (e.g. 2-minute silence, attending a parade, going to church).

I know there are memorials in Windlesham for those who have died fighting in wars.
