

## Yr 2 Why Should We Look After Our World?

**Key questions:** What makes the world precious? Which festivals show us that we are grateful for the natural world? How can we care for the world we all share? (human, natural, animal) How do Christians, Jewish people and Muslims try to copy God's love for the world? Why and how should we care for the world?

I know that our world is precious and our shared home

I know that everyone can make a difference in looking after it

I know that about some celebrations that relate to the natural world (e.g Harvest)

I know what some creation accounts show about looking after our world

I know that most Christians, Jewish people and Muslims try to copy God's love for the world in how they treat it

*I know how our actions can demonstrate appreciation for the world*
