

Yr 2 Why is giving important to Christians?

Key questions to shape the learning:

How can we 'give' to others this week? Why do some Christians give? How do Christians 'give' to God in worship? How does giving make a difference in your local [church] community? What was given at the very first Christmas? Why do Christians give, especially at Christmas? What could we give this Christmas?

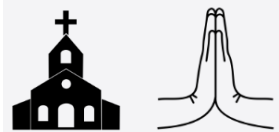

I know that giving is important within all communities as a way of helping others and getting on well with others.

I know that most Christians believe that God's nature is to give, and that he gave Jesus as a gift to the world.

I know that worship is a way of giving to God. That this giving takes many different forms, including prayer & volunteering.

I know that when most Christians give, they are showing that they are a part of God's Kingdom.

I know that the Church is both a building and the community that meet there.

I know that when Christians give to others at Christmas, it is a reminder of how God gave Jesus, and also of the gifts of the wise men, who worshipped him.
