

Year 2 - Oceans and Seas of the World

I know the names of the 7 continents (Asia, Africa, North and South America, Antarctica, Europe, Australia) and the 5 oceans (Pacific, Atlantic, Indian, Southern, Arctic).

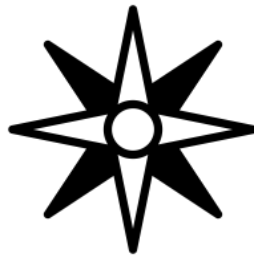

I know the size order of the 7 continents (Asia, Africa, North and South America, Antarctica, Europe, Australia) and 5 oceans (Pacific, Atlantic, Indian, Southern, Arctic).

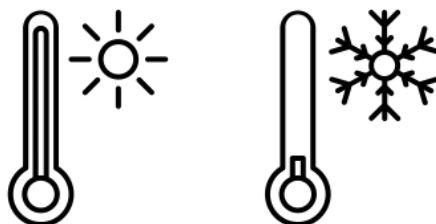

I can name some key physical features around the world; Mount Everest (Asia), the river Nile (Africa), Grand Canyon (North America), the Amazon rainforest (South America), Loch Ness (Europe), Uluru/the Great Barrier Reef (Australia).

I know the compass directions north, south, east, west, north-east, south-east, south-west, north-west, and can use them to describe journeys.

I know the names of the four climate zones and can tell you some countries within those climate zones.
