Message from Mrs Ezzard

What a busy week! We've managed Nativity performances, parties, Christmas dinner, Snow Queen panto and a chocolate tombola! The children have been magnificent and I know you share our feeling of pride-not just in how wonderfully they performed 'Born in a Barn' but in how much they have learned this term.

Thank you to those that came along to Family Carols on Sunday. And for all those who were able to join us for our carols and Christingle service last Friday, especially if you volunteered to walk with us and help in church.

Attached is a 'reading bingo' card to encourage your child to keep up their reading over the holidays. The e-library is available for all, or of course you can read your own books from home or the local library. We know you will all be busy and we realise this can be hard to fit into your busy lives; any child bringing in a completed bingo card in January will receive a reward.

Have a wonderful break – term starts again for the children on 4th January. The whole team join me in thanking you all for your enthusiasm and kindness this term. Thank you for our gifts and Christmas good wishes. I hope your Christmas mornings don't start too early, and that you have a fun and restful time. Here's to a magical 2024!

'The Big Ambition' survey

'The Big Ambition' survey has been developed by the Children's Commissioner and provides an opportunity for children to tell policy makers what is important to them ahead of the next General Election.

The survey only takes 5-10 minutes to complete and is open until Friday 19th January 2024.
