Message from Mrs Ezzard

Welcome back! We hope you had a restful half term and are ready for a busy time leading up to Christmas. During our INSET day, staff worked hard to update their first aid qualifications ready for all the little playground incidents! Staff also looked at well-being and mental health for themselves as well as the children.

This week we have been focusing on Bonfire night, not only looking at the safety aspect but also learning about Guy Fawkes. Then we turn our attention to Remembrance Day and before we know it, we will be heading quickly to the festive season.

The School Council are now selling poppies- we suggest a minimum donation of £1.

FOWVIS Fireworks event tonight (Friday 3rd November). Our wonderful FOWVIS team have worked hard in preparation for what should be a wonderful night – thank you to all involved but especially Kes and Will Graham.

Friday 17th November we will be acknowledging Children in Need for a donation children can come to school in spotty clothes/mufti. A suggested donation of £1 per child.

You will have noticed that a ramp has been constructed over half term; this makes our school more accessible to all. Works will be completed soon. This was funded by a grant that we applied for and we are very grateful for the support from our local council.

Attached are details for a workshop to help parents support their child should they be suffering with anxiety. Please do attend if you think that this may be of use.

Choir club – booking now open – Wednesday 1st November to 6th December

Please note Choir club is now available to book through Parentmail for the period from after half-term to the Christmas break. The cost for the half-term is £15 (£2.50 per session).
