### **Message from Mrs Ezzard**

I have been celebrating my tenth anniversary of starting here at Windlesham and I am so glad that I got the opportunity to come here back in 2014; I have never been so happy in my place of work and I love working with you all.

I have had the privilege of visiting each class this week, and teaching Music in Year 1. The children have just finished their Transport History topic with Miss Shine and have been really interested in space travel. Next week, I am looking forward to some time in Hedgehog Class, so that Miss Powell can observe some lessons in the other classes. Hedgehog Class have a student teacher, Miss Poulter, who is working alongside Miss Powell this term.

As always, we have celebrated learning and caring in our Celebration Assembly today. Have a great weekend. Please remember your reading over the weekend and bring your folders in on Monday.

Parents that have already booked for before half term will be receiving a refund – any problems with this please contact Jam Coding directly. For the time being the booking link has been removed from the school website.
