

WVIS News

I write this as we approach the final days of term and it has been very busy, as you can imagine. We have planned for a nice end to the school year; today I have reminded the children to look after each other, so we can all enjoy our last days together before the holidays.

Next week is bound to be emotional as I say my 'goodbyes' because I have so many happy memories of my time here. This is such a special place to be and I am so grateful for all that I have experienced and learned. Thank you for all your support and encouragement for me and the team - it means the world to us all and we never take that for granted. I am leaving the school in a strong position and we are able to look forward to a positive year next year. I am excited for Miss McGann as she becomes Executive Headteacher across our school and Connaught and I know she shares my enthusiasm for this next chapter for Windlesham.

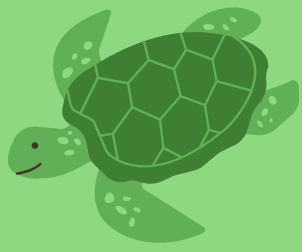

Yours gratefully, Mrs Ezzard

CAN YOU HELP?

We would welcome extra adults who are DBS-checked to:

- listen to children read***
- help keep our library tidy, ensuring all the books are in the right place now we are using it more.***

Other leavers

Inevitably at the end of the year, some people will be moving on to new roles in different organisations. We will be sad to say 'goodbye' and wish them every success and happiness in the future.

Rest assured that we are recruiting to fill the office and site management positions in our school and expect to have achieved this very soon.

Mrs Collopy already shares her time with Connaught and will just work there next year to continue her work supporting Speech and Language in school.

Mr Rana will be leaving us and returning to Nepal in August to spend time with his elderly parents

Mrs Catherine Williams will be returning to a corporate role.

We made fruit salad for ourselves. We enjoyed choosing fruit and learning how to chop it up. We know we should eat fruit and vegetables every day.

In RE we have been thinking why we should look after our planet. We have remembered creation stories from Christianity and Islam. We have thought about festivals, like Harvest and Sukkot.

We have thought about what we can do to help wildlife and the environment.
