Message from Mrs Ezzard

Like last week, I have been able to visit each class. I have taught each class this week, which I have really enjoyed- whilst I do love my job, I miss having my own class and it is a treat for me to have these opportunities in school.

Looking ahead to November, Terri Demir and Paul Howard have kindly agreed to take the lead roles in organising our Fireworks event. Will and Kes Graham have run this brilliantly over the last few years and have left a comprehensive guide to help. They have built up a good network of people who support the event with equipment, resources and time; it raises a fantastic amount of money for FOWVIS and provides a safe and enjoyable event for young families to share together. I know FOWVIS are looking for volunteers to work alongside Terri and Paul, so that they can hand over this responsibility to someone else; we welcome all offers of help. Please contact FOWVIS or the school office if you feel able to shadow Paul and Terri to run this event for our school.

I had an interesting email from the team at Save our Wild Isles with some ideas to enjoy the great outdoors this season, if you are interested saveourwildisles.org.uk/makethemostof2024

Another busy week! We've enjoyed the crisp sunny days but I hear wet and wild weather is coming our way next week, so please stay safe this weekend. Please remember your reading over the weekend and bring your folders in on Monday.

Parent Consultation Evenings

Bookings will go live at 5pm Tuesday 23rd January. A separate PMX will be sent on Monday (22nd January) with all the information regarding Parents Evening.

Warm W

With the current cold weather, we would like to remind residents Warm Welcome venues are open to everyone this winter free of charge – no matter your age or situation. You can find a full list of Warm Welcomes on our website: [Warm Welcome Venues in Surrey - Surrey County Council \(surreycc.gov.uk\)](https://www.surreycc.gov.uk/warm-welcome-venues)

Parent/Carer information session (virtual)

Wednesday 31st January 2024 – 9.30am – 10.15am

We (school) will receive a link to access this session **one week before the event** and will share this with parents/carers.

This session is available on a termly basis - these sessions are repeated termly to provide multiple opportunities for parents to attend but parents only need to attend one as content will be fairly similar (just updated as and when required).

As a reminder, this session (and all our virtual sessions) will be recorded and will be subsequently shared.

Please see attached flyer for this event.

Fox Class – Special books

Fox class has started to learn about special books. To help with this learning next week we ask that your children bring into school a book from home that is special to them. There is a learning sheet in your child's book folder with more information to help with this.

Half Term Complete Coaching club

Complete are running a half term holiday club from 12th Feb – 16th Feb flyer attached.

They are offering an early booking discount for *bookings made before 21st January 2024*.
