Message from Mrs Ezzard

Today we have been celebrating World Prematurity Day by planting bulbs in our new flower bed; if you forget to bring in money, you can do so next week. I'll be reviewing our application to apply for Prem Aware Status and our work on this will continue all year.

Christmas Dates have gone out and there is a Microsoft form to complete for ticket requests. I will be sending out a separate letter early next week to explain our approach to our church service this year.

There are just 3 weeks left of term! The time is flying by and the children are doing brilliantly. There are a lot of events to fit in between now and the end of term-please make sure you have noted the dates/times of events, and do remind each other as these events approach, so no-one misses out.

I regularly reflect on how great it is to serve such a lovely community. We do appreciate your ongoing support and encouragement. We absolutely love teaching your children.

Baubles

Templates have been sent home in book bags. Each year, we ask the children to decorate the template with a Christmas scene or with their hopes and wishes for Christmas. Should you wish, we ask that your child decorates the bauble and that it is cut out before returning; we then laminate the baubles. You can decorate them however you like, but please don't make it 3D as they won't go through the laminator. We will be invited to present the baubles for the village Christmas trees at the beginning of December, where they will be displayed; one at the Village Green by the Sun Pub and the other at the Windlesham Field of Remembrance.

Pirates Landing Christmas Party

A reminder that the FOWVIS Pirate's Landing Christmas Party is on Thursday 14th December between 4.00-5.30pm. Tickets are on sale now and include entrance, pizza, veggie sticks and a drink – all the details can be found in the link below. Siblings are welcome, even if they don't attend the school. Spaces are limited so be sure to get your tickets early. Adults and infants aged 0-2 are free but we are allowing a maximum of 2 adults per booking.

You Project

The YOU Project is an online Women's Wellness Program. The new "Jan Plan" runs for 3 weeks from the 1st Jan, all on a private Facebook group. It is a safe space for women to cheer each other on and achieve great results in doing so. We have guest health coaches, mindful sessions, a full meal plan with 60 plus recipes and 15 workouts. All quick and easy, and achievable for all. Weight-loss, a healthier mind-set, life in a more organised order, hormonal balance and just a better YOU.

It really does work, & it's quite fun too.

Please see attached flyer for booking.
