### Message from Mrs Ezzard

As part of their learning about "People Who Help Us" Fox Class had a visit from Camberley Fire Fighters and their fire engine. The children listened carefully to Sully and Tash talking about their special clothes that they wear and the equipment they use. They asked the children to learn their house number and street name, in case they ever have to use it in an emergency. The visit ended with the children climbing into the fire engine, and then letting the hoses off in the playground! As they left, the crew told us that Fox Class were by far the best group for listening and staying focused; we were very proud of them.

Year 1 hosted a lively singing assembly on Wednesday-I'm still humming "Spring Chicken" to myself! It was lovely that so many of you could join us. Huge thanks to all those parents who were able to run the Yr R cake sale afterwards.

The FOWVIS Easter egg hunt looked like a lot of fun in the sunshine-our grateful thanks to the team for organising it for our families.

Library books were due in today – please bring your book in next week if you haven't already done so; only children who have returned their library books have chosen a new one. Lost library books will need to be replaced, so please have a good look at home and in cars for any that are missing.

I need to remind you all that we finish **1.30pm on Wednesday**, and there is no after-school club that day. The Complete Kids Holiday Club will be operating during both weeks of the holidays and you can still book places, including school-age siblings. Young children can find it hard to know how long the holidays really are and when we will return to school for the start of the new term; attached to this newsletter is a simple Countdown Calendar which you can choose to use if it is helpful.

### Change to menu

The menu has been altered for the last week of term to the following:

Monday: pizza or burger served with potato waffles and sweetcorn. Yoghurt for dessert

Tuesday: Spanish chicken served with rice and peas. Selection for cake for dessert.

Wednesday: Fish & chips served with baked beans. Shortbread biscuit for dessert.

As soon as we received the menu from Twelve 15 for Summer Term we will circulate it and publish it on the school website.

### **Tuck shop stall for Hedgehog Class**

Teaching children to use money is always challenging and it helps to provide a real-life opportunity. We have 30 bags of jelly sweets we would like to sell to Hedgehog Class for 10p each, which will allow each child to join in. We ask that they **either** sort through coins at home to make 10p using smaller coins, **or** bring 20p so that **they** can calculate their change. Please support them, but don't do the counting for them, as it is a key skill that they need to develop. The tuck shop will run on Monday 15<sup>th</sup> and Friday 19<sup>th</sup> April in the back playground at 2.55pm-those going to Complete Kids will have an opportunity to shop too.

### **Family Learning courses and workshops**

These are **free** for parents, carers and grandparents.

[Family learning adult learning courses - Surrey County Council \(surreycc.gov.uk\)](https://www.surreycc.gov.uk)

### **Scholastic Book Fair 24<sup>th</sup>-26<sup>th</sup> April.**

We will be hosting this in the second week of term, Wednesday-Friday, selling the Infant Range plus stationery, with a 3 for 2 offer on books, cheapest book free. More details to follow, including a QR code which should allow you to order online once your child has browsed what is available; orders placed by 1pm Friday 26<sup>th</sup> would be fulfilled Monday 29<sup>th</sup> April. Our school library then benefits from commission.

### **Whole school trip planned – Thursday 6<sup>th</sup> June 2024**

We are hoping to take whole school on a trip, with each year group completing different activities. We would welcome additional adults to accompany us, to ensure a good adult: child ratio. Please note all volunteers will be directed to support where needed and this is unlikely to be with your own child. If you are willing/able to help, please email the school office [school@wvi.tamat.org.uk](mailto:school@wvi.tamat.org.uk)

A PMX will follow next term regarding this trip.

### **Chobham Carnival Monday 6<sup>th</sup> May**

We are trying hard to raise our school profile in the wider community and this year plan to take part in the parade of Chobham Carnival. If you are willing to accompany your child in the parade, we would welcome your support; please contact the school office.

### **Surrey Fire and Rescue Service-Safe and Well**

If you need support with your smoke alarms, or ensuring that they are working correctly, please book a free [Safe and Well](#) visit. They are completely free and available 24/7. Either a crew or prevention officer will visit your home at the arranged time, day or night to share their home fire safety expertise.
