HELLO FROM TWELVE15

SCHOOL MEALS ARE FREE

Lunchtime is in safe hands

Twelve15 has been providing school meals throughout Surrey for over 70 years.

We take great pride in what we do, feeding thousands of pupils daily.

All our meals are compliant with Government Food Standards.

80% of our meals are made from scratch using fresh ingredients.

Experts in Education Sector catering.

WHAT DOES LUNCH ENTAIL?

The wellbeing of pupils is at the heart of our established catering service.

All our Primary school kitchens are nut free

There has long been a positive association between learning outcomes and nutrition. Every weekday we focus on providing fresh, healthy and nutritionally balanced lunches that adhere to Government Food Standards.

All our menus are developed with little ones in mind, we always include firm favourites and encourage positive choices.

Our tasty homemade meals are carefully created by our Food Development Chef and his team, and then prepared by your dedicated school kitchen team.

We have a three week menu cycle (bi-annual menu), which typically includes three daily hot meal options including a vegetarian offering.

Think of all the time you will save on preparing a packed lunch!

MAKING A NUTRITIONAL DIFFERENCE

We provide healthy meals which are delicious and satisfying. We like to make our recipes as nutritionally dense as possible – we add carrots and courgettes to our homemade tomato sauce. We also reduce salt and sugar in our recipes whenever possible, for example our sponge puddings contain 50% fruit.

GUARANTEED TRACEABILITY

- All our meat and poultry is Red Tractor certified.
- All fish on the menu carries the Marine Stewardship Council (MSC) accreditation.
- Our menus are free from a huge list of additives and trans fats.
- We do not use MSG (Monosodium Glutamate), aspartame, hydrogenated oils, mechanically recovered meat or Genetically Modified ingredients.

We are passionate about sourcing and cooking seasonally whenever possible and the majority of Twelve15's produce is sourced within the UK.

NEW STARTER FAQ's

Why are school meals free to all?

In 2014 the Government introduced Universal Infant Free School Meals for all Reception, Year 1 and Year 2 pupils, reinforcing how important a balanced lunch is. This entitlement is not means tested, it is available regardless of household income to anyone with a child in these year groups.

How do we register for Universal Infant Free school meals (UIFSMs)?

Please contact your school office directly to sign-up for this FREE entitlement which is worth £480.70 (and instead can go towards your family budget).

What criteria do the School Food Standards specify?

Two portions of fruit and vegetables must be served daily, alongside a dairy item, carbohydrate and protein. There is also an emphasis on wholegrains and oily fish, whilst less healthy items such as fried foods and processed products are restricted.

My child has allergies/requires a special diet, can they have school meals?

We are experienced at catering for specific dietary requirements ranging from vegan and halal to vegetarian and gluten free. We cater for the 14 key allergens identified by the Food Standards Agency (including nuts, sesame and soya). You can find more information on our [website](#).

My child is nervous about school meals, how do I reassure them?

They will quickly get to know our friendly catering team, who always make an effort to know their pupils. School staff will also be on hand to support in the dining area.

How will my child's allergy/special diet be managed at lunch time?

Schools follow their own protocols hinged around guidance, which might for example include varying coloured wrist bands or photo ID. Please ask your School Office for further information on its procedures.

My child is a picky eater, how do you cater for that?

Our dedicated catering team will be able to support them during the lunchtime process, alongside teaching staff.

Schools offer at least two daily choices, some offer three so there are options. Menus are available in advance so you can discuss the food with your child and help reassure them.

Being with peers can also help your child discover new foods and be encouraged to try.

Can my child switch to packed lunch after having tried school meals if they don't like them?

We think that is unlikely! However, you can switch between the two. Why not give them a go?

"Just try school meals and if you don't like them you can go back to your other food."
